TOURSTORE

Complete Travel Management System

There are a lot of ways to sell tickets. TourStore handles that and everything else for your group travel needs. With customizable options available, it is easy to:

- Manage vendors and reservations, and payments
- Estimate costs to find ideal ticket pricing
- Sell tickets, letting customers pay online manually or with recurring payments
- Sell add-ons from t-shirts to trip insurance
- Customers can view and manage their booking, and can invite family members to help pay!
- Organize rooming lists and send them to hotels, manage bus and group lists too!
- Financial reporting: costs, revenue, profit, and profit forecasts
- Reservation checklist to ensure everything is booked, paid, and reconciled accurately
- Much more, and customizable to fit your organization perfectly

CHARTER MANAGEMENT

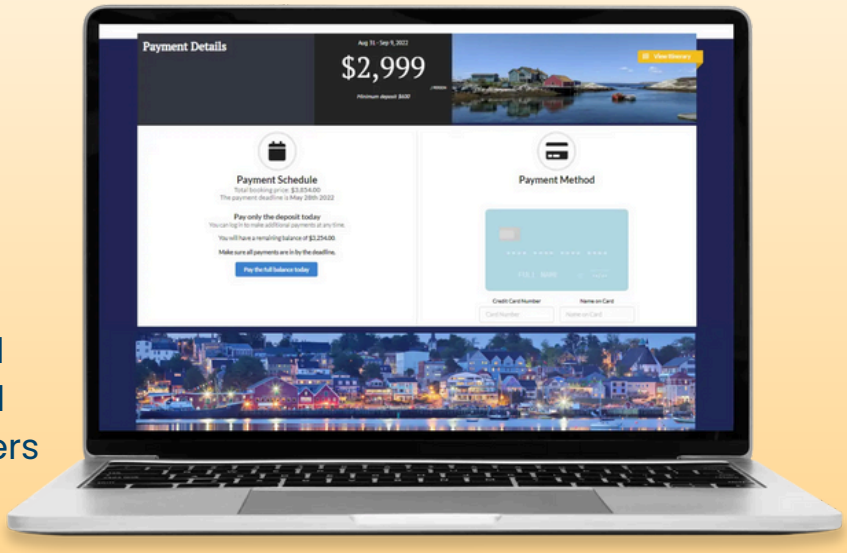

No matter what your company specializes in, we give your team the best tools to operate and grow with.

Tour Store is here to help.

MORE THAN TICKET SALES

Sell tickets with one-time or recurring payments. Let customers choose their payment schedule, or specify your own.

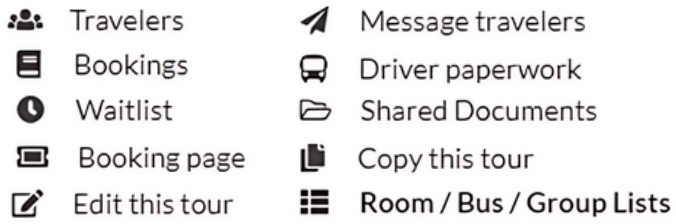

Even better? Add your vendors, fixed and per-person costs, optional add-ons, and required margin. We'll crunch the numbers to recommend prices that keep your experiences consistent and profitable.

BUILD GREAT EXPERIENCES

Quickly create, edit, tweak, or clone trips. Add photos, travel itineraries, and more to make your trips stand out.

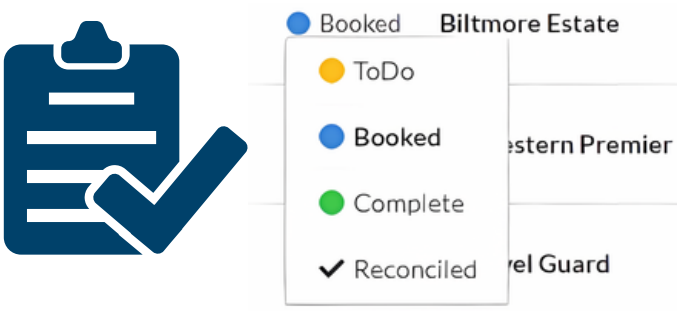

FLEXIBLE PRICING OPTIONS BUILT ON SMART COST ESTIMATES

TourStore lets operators add costs and markups to create a price that works for them. Addons let customers customize their trip from extra activities to trip insurance.

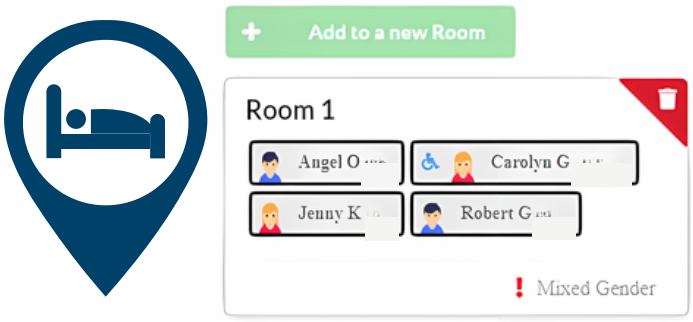

TODOS, REMINDERS, AND NOTIFICATIONS

To make sure each trip is a success, configure TourStore to notify staff as things change and build todo lists to ensure reservations are made and paid on time.

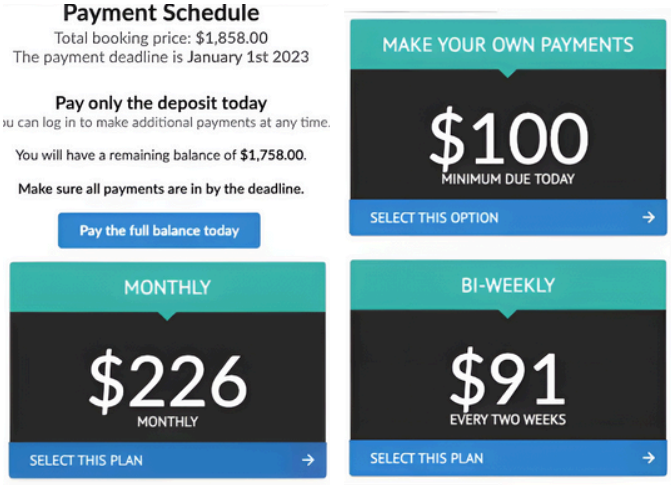

ENJOY TOOLS THAT SIMPLIFY

Message all travelers and submit rooming lists with the click of a button, check guests in with the roll call feature, tag your tours with helpful labels to assist with organizing data, instantly generate driver paperwork based on reservations and more!

RECURRING PAYMENTS MADE EASY

Let customers book their own trip and make monthly or weekly payments as well as invite others to pay on tours! Make sure payments are in by the deadline, with funds deposited directly to your bank account. TourStore is integrated with QuickBooks, Authorize.net, Stripe, SharePoint making transitioning a breeze!
